

Emergency Warden training:

Overview: These Training Package Units are designed to deliver information to designated staff working in any industry or workplace to prepare and respond to a variety of workplace emergencies, as outlined in Australian Standard AS3745:2010 Emergency Control Organisations and Procedures.

This module (Emergency Warden) is delivered in partial completion of the full qualification Certificate III in Public Safety (Community Safety) (Release 3)

Course duration

8 hours (1 full day) – includes assessment

Assessment criteria

Assessment is competency based.

The student's performance is assessed on satisfactory completion of the required assignments and workshops (in-class assessment activities).

Students support

Online and telephone support is available throughout the duration of the course.

One-on-one support is also available on request.

Course delivery

This program is ONLY available through:

A face to face session requiring the completion of 2 main assessment activities:

Part A: Knowledge; Questioning (Written & Verbal)

Part B: Skills; Structured Activity (Practical Demonstration)

Both of which will be completed on the day of training.

* For submission and course dates refer to the course timetable at www.afsrto.com.au

Venue

TIME Education, 83-87 Henley Beach Road, Mile End. SA 5031

OR

At your site where we can utilise your systems and procedures if you have facilities it could be a more cost effective method please contact us for more details.

Minimum entry requirements

There are no prerequisites for these units.

However, there are Language, Literacy & Numeracy (LLN) requirements for this training which include:

- Language; ability to relate to a range of people from a range of cultural, linguistic, social and ethnic backgrounds, and a range of physical and intellectual abilities clearly and concisely under sometimes stressful/pressured situations.
- Literacy; The ability to read and interpret written information and seek clarity where unsure. Writing is required to the level of completing required workplace reports/forms.
- Numeracy; The ability to determine possible emergency response time frames and to calculate the times it would take to act upon a small workplace emergency.

The foundation skills are not included as part of the courses. AFS recommends a minimum year 10 or equivalent of schooling prior to commencement of the course.

Specific course requirements

- Enclosed shoes and neat casual or work clothing is essential.
- The practical session can be viewed as physically challenging, therefore participants should be reasonably fit and able to lift and carry fire extinguishers and other safety equipment or chemical spill kits as required

Course Outline

Emergency Warden Training -

- (PUAWER001B) Identify, Prevent and Report Potential Workplace Emergency Situations
